Sir:

I hereby certify that this correspondence is being deposited
with the U.S. Postal Service as First Class Mail in an envelope
addressed to: Assistant Commissioner of Patents and Trademarks,

In response to the Office Action mailed January 17, 2002, kindly amend the above-identified application as follows. It should be noted that while the Office Action indicates that it is Final, it was clarified during a telephone conversation of February 6, 2002, between Ms. Channavajjala and the undersigned that it should not have been Final and the finality will be withdrawn. Mistakenly, applicants' submission of a Claim to Priority on November 6, 2001, was taken as a response to the October 24, 2001, Office Action, although it clearly was not. Thus, the Office Action of January 17, 2002, is being responded to as if it was a non-final Office Action.
